

Easter Cross

The message of Lent and Easter is the message of the Cross. It was upon the Cross that our Savior bled and died for the forgiveness of our sins and it was the empty Cross of Easter that declared that our Savior had risen from the dead, securing for each of us salvation and eternal life.

We would like to share this message of the Cross with our neighbors and our community and we need your help.

We are taking orders for yard-sign Crosses like the one pictured above. One side is a blank white cross. We would like you to display this Cross, with the blank side facing your street, from March 25th until Easter Sunday morning. On Easter Sunday, turn the Cross around so the words **"He Is Risen!"** prominently faces your street. Keep the Cross in your yard until the Sunday after Easter, after which you can store it for use next year. These Crosses are made of corrugated plastic and will weather many years of Wisconsin weather.

Our purpose is to show our community that the people living in your house are Christians who place their life in Christ's hands and place their hope in His Cross and resurrection.

We are inviting area Christian Churches to participate with us. Let's see how many Crosses we can display in the neighborhoods of our community. We will also be putting an ad in local papers explaining these crosses and listing our Holy Week and Easter Worship times.

The cost of each Cross is \$5.00 (including shipping). Orders can be placed by signing up on the church office window or you can email Pastor Bischoff at pastor@stpeterswaterford.com. Payment can be made when the crosses are picked up.

Deadline to order is February 19th.
