## Tuesday News!

Dear Parents,

Every Tuesday I will try to send home a newsletter that informs you of upcoming and important dates. It will also include some of what your children are working on and learning during the school day!

### **Some highlights for you to know about school:**

- Our first week of school started great! We discussed the Christian value of honoring God that we will study and work on this month. Students came up with a service project idea to honor God. They wanted to bake cookies with frosted crosses on top to hand out to faculty and staff at St. Peter. It was a fun first service project!
- I began reading testing with students last week to see how students have grown in a year. We will begin reading new novels this week.
- Students made time capsules and wrote letters to themselves about how they were feeling and how they expected the year to go. Make sure to ask them about some of the other included documents. We'll uncover these capsules in the spring!

### **Some important dates to know for the future are:**

**Fri. Sept 10<sup>th</sup>:** Students are attending Indian Summer Education Day! We will leave at 8:40 and be back at 2:15. Students need a completely disposable bag lunch!

**Fri. Sept 10<sup>th</sup>:** Students first memory assignment is due. They need to know the first half of "Go Light Your World." This is our theme song for the year.

Looking forward to the rest of the school year with a great group of students!

In Christ,

Ms. Zahner.
