

Welcome back 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> Grade Families,

I'm looking forward to an exciting 2010-2011 school year! It is a blessing to be at St. Peter's for my second year! I pray that this year will be filled with many blessings for your child as we get to study God's Word together in class and hear his message in our weekly chapel. Remember parents are always invited to join us for our chapels at 9:15 each Wednesday!

This year in 6<sup>th</sup>-8<sup>th</sup> we have many new topics to learn and ways to grow in Christ! The 6<sup>th</sup> grade will start the year with learning about weather in science class and Latin America in Social Studies! The 7<sup>th</sup> and 8<sup>th</sup> grade will begin with studying Chemical Building Blocks in science and American History in Social Studies! Other exciting things this year include new novels that have been purchased for all three grades! I'm delighted to share these new stories with your children as we grow as readers! Our class is blessed this year to get to enjoy many field trips! Our first field trip is September 10<sup>th</sup>. We will be participating in Indian Summer Education Day! Look for a permission slip to come home this upcoming week.

Please stop in, call, or e-mail me this year for any reason. I am always available to talk if you have any questions or concerns about your child. I check my e-mail and Fastdirect daily so that is a great way to reach me! Please look for updates and grades on Fastdirect as our school will continue to use this great form of online communication. I will also continue to put a weekly newsletter on our classroom page as well as on Fastdirect.

Each child this year has a great opportunity to succeed! Thank you for your continued help and interest in giving them a Christian Education! Blessings to all of you throughout this new school year!

In Christ,

Miss. Lauren Zahner
