### *From the Desk of Pastor Conradt* Expanding Catechesis: Rhetoric Level

If you haven't already, I would encourage you to read the August/September 2021 newsletter to read more about the need for expanding catechesis. The next three newsletters will be looking at the three expanded levels.

They are Catechesis: Grammar Level, Catechesis: Logic Level, and Catechesis: Rhetoric Level. These levels follow the classical education model. Grammar gives us the basic building blocks, Logic helps us think through these things critically, and Rhetoric gives us the ability to defend and speak persuasively.

I will be covering these in reverse order. As previously discussed, the Synod has roughly a 1/3 retention rate. We have seen for decades that once confirmed there is a large drop off. This third level of our catechesis program seeks to stave off this recurring theme.

After completion of the Logic Level, each child enters this third level. Once given the basic tools and foundational building blocks (grammar) and taught how to critically think through them (logic) we seek to build higher.

This level seeks to further engage children and their parents in continued worship, Sunday

Morning Bible Study, and service in the church.

Once confirmed the child does not finish his study of God's Word, it is not a graduation from worship and catechesis, but a moving into the next chapter of furthering his devotion to the things of God.

We know that at the age of 14, a child cannot drive himself to church (at least not legally), and so it takes a building of the network with the parents as well. In order to retain children post confirmation, we need to work to equip the parents to fulfill the vocation that God has given them in training up their children. We don't do it for them, but rather work with them.

Once confirmed each child and his parents are encouraged to continue worshipping faithfully, studying God's Word here with us in Bible Study and in the home, and also using their time and talents (gifts from God) to serve His church.

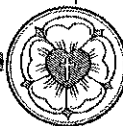

We are seeking to build a family in Christ that doesn't end with Confirmation. I leave you with these words of Martin Luther:

"In the third place, after you have taught them this short catechism, then take up the Large Catechism and give them also a richer and fuller knowledge..." (SC Preface 17).

In Christ,

*Pastor Conradt*

Direct your  
Thrivent Choice  
Dollars  
Today!

Church members who are also THRIVENT members:

It has come to our attention that some members have not been taking advantage of Thrivent's Choice Program. If you are eligible, Thrivent notifies you when dollars are available to allocate to non-profit organizations (St. Peter's Lutheran Church and Rainbow Preschool are two such organizations.) If you do not allocate these dollars to your favorite non-profit, then someone else will donate them to their favorite. This costs you nothing and could be a big advantage to us. To do so, please follow these instructions:

Call 800-847-4836 and when prompted say "Thrivent Choice."

Press 1 to direct your Choice dollars or press 2 to hear the Choice program Terms and Conditions (if prompted, say or enter your phone number and date of birth.)

A representative will work with you to direct Choice dollars.

Please complete this by the end of this year. Thank you for considering St. Peter's Lutheran Church and Rainbow Preschool when directing your Choice dollars.

# Ladies Aid/ LWML Newsletter

Mission Grant #6 - "POBLO"- (People of the Book Lutheran Outreach) \$15,000.

The field is ripe in our own backyard for mission work. POBLO's vision is to fund an additional female missionary and train south Wisconsin congregations to begin International Friendship Centers on their campuses. These friendship centers is an effort to reach into the community with kindness, love and care. This has been an effective way to open the doors for the Holy Spirit to work in the lives of immigrants and refugees among us.
