From the Desk of Pastor Conradt "Conferences"

Conferences are a great opportunity for me to learn and grow. We have many opportunities throughout the year. I had a perfect storm of conferences scheduled all around each other toward the end of October. There was a Men's Retreat in place of our Men's Bible Study on a Saturday. The retreat was held at Luther Memorial Chapel in Shorewood (just north of UW-M). It was great and we had 8 other men from our congregation attend. We worshipped together and dug into what the Scripture has to say to men about a host of different topics. We left early to get back to help put on a great year of Turkey Dinner (thanks to everyone that helped).

This was followed by our Vespers service in the park on Sunday. A huge thank you to everyone who came to it (about 75 in total including about 10 from the community).

Then the next day through Wednesday I had a pastors' conference. Specific to our District (South Wisconsin District) we have two a year. I have been the head of our planning committee for the last five with our last one coming up in May 2026. It has been a learning experience. I appreciate the time with fellow pastors as we form a brotherhood sharpening one another. This time we learned about education, both in the parish (from 2nd Vice President of Synod: Rev. Benjamin Ball) and updates on the current state of Seminary education (from the president of Concordia Theological Seminary, Fort Wayne: Rev. Dr. Jon Bruss). That conference finished in the afternoon on

Wednesday.

Then Thursday I had a Live2Lead conference here in town. This was different from anything I had ever attended before as—even though many of the presenters were Christian and it often showed—it wasn't specifically a Christian conference. It was a partnership with the Waterford Area Chamber of Commerce. One of the most exciting presentations was done by Jesse Cole, the founder of the Savannah Bananas. He had exuberant energy and incredible stories. This conference was directed to help us become better leaders and I was thankful to attend.

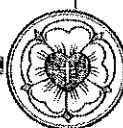

In a span of Saturday-Wednesday, I worshipped 11 times, using the Divine Service, Matins, Vespers, Compline, & Responsive Prayer II. What a joy!

Here I want to put in a plug for another conference coming up on November 1st. It is open to everybody. While all of us were required to learn Martin Luther's Small Catechism, too often the Large Catechism goes unused. On Sunday mornings we have been studying the Large Catechism. And so have many of the other congregations in our circuit area. This conference is hosted by St. Paul's in Union Grove (1610 Main St.). I am one of the four presenters. You can find more information in the hallway by my office.

It is a joy to keep learning, growing, and refining the stations in which the Lord has placed both me and you. Let me know if you have any questions. Keep learning.

In Christ,

Pastor Conradt

## TURKEY DINNER UPDATE 2025

Combined dinners (dine in and carry out) were 695 meals. This is up 137 from 2024. Total money brought in from Dinner, Bakery, Donations and Sunday sales is \$13,083.00. The expenses will add up to several thousand dollars for purchase of food and rentals of equipment. More detailed accounting will be available in the annual report which will come out in early 2026.

**THANK YOU** ~ to all our Turkey Dinner volunteers! Special thanks to those that spent most, if not all, of the week at church preparing all the various dishes to be served from turkey to coleslaw and to those that came on Saturday to help make this year's turkey dinner have a successful end. It goes way beyond food prep though. Many more tasks, like advertising, rearranging all the furniture and the endless cleaning, go into the planning. Please know we could not do this without all the volunteers that step forward for our Turkey Dinner.

1 Peter 4:10 *"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms."*

## If God is for us, who can be against us?

### Genesis Project:

Well, maybe you got the congregational survey and wondered, "What in the world do all these things mean?" Here's a short explanation of some of the points along with my personal perspective on some of the issues St. Peter's Lutheran Church is facing.

1. Commitment of pastor - The Board of Parish Education and Pastor have been promoting classical education for the last 2 years. At least 80% of the home based schooling families at St. Peter's use at least some elements of a classical curriculum. Pastor is called by the congregation and works with the elders to provide God's Word of the Gospel of Jesus Christ and give you the Sacraments that assure you of God's love for you, seal you for eternal life (Eph. 1:13-14), and offer weekly renewal through connecting you to Jesus Christ atonement for your sins. He works hard to teach and preach God's love and provide a structure of learning for young and old to grow in their faith. His involvement in the preschool (weekly Chapel and classroom visits) and in the education of his own family show the value he places on Lutheran education. His enthusiasm for classical education is evident through his newsletter pieces also. *Train up a child in the way he should go, and when he is old he will not depart from it. Proverbs 22:6*
2. Lay Leadership - This is asking you about how you see your congregational leaders and volunteers. I have seen a deep commitment by those in leadership to work with church members to bring about positive growth and improvements in the facility, programming, and scheduling of the resources this church possesses. *All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work. 2 Timothy 3:16 -17*
3. Vision for outreach through school ministry - I believe that school ministry is first and foremost for the congregational children as it is a God given responsibility of parents and authorities to teach the saving faith in Jesus Christ. Inviting others in our extended families and in our local community to hear the message of Christ crucified and risen for their eternal salvation is an honorable endeavor. Christ grows His church through the work of the Holy Spirit. *So shall word be that goes forth from My mouth; it shall not return to Me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it. Isaiah 55:11*
4. Stewardship capability - I've only been here for a year of voters' meetings, but I have seen how generous the people in the congregation are surrounding special events and during difficult times for families (funerals and otherwise). I have seen the mindset of sharing what we've been blessed with in our mission offerings to support Lutheran and other organizations in the community. Also in cleaning up the office, I've come by some school budgets. In 2008 - 2009, the congregation helped out the school with support for teachers and staff at about \$8,000 a month (\$11,450 in today's dollars). The endowment funds (about \$30,000 - of the interest I presume) was given to the school for operational costs and expenses. The capability is there, this survey will help determine if the willingness is also there. *He who sows sparingly will also reap sparingly, and he who sows bountifully will also reap bountifully. So let each one give as he purposes in his heart, not grudgingly or of necessity; for God loves a cheerful giver. 2 Corinthians 9:6-7*

*Living by the exceedingly great and precious promises of God - 1 Peter 1:4*

5. Follow through (Perseverance) I recently called LCMS School Ministry and talked to them about our community survey. I asked them to tweak it so it had a classical Lutheran spin, not a general Lutheran school reach. In speaking to them, the manager commented that he is asking us to determine if we think that the classical school start up can last - not just for 3 years but for 30 or 50 years. At a place that is 160 years young, there is a steadfastness that pervades and a joyfulness in worship that emanates from many. As sinful humans, we all trend towards the easiest path and slothful laziness, but God equips us for the work that He is doing in our midst (Eph 2:10). I believe St. Peter's has the faith, sticktoitiveness, and love to move forward with providing options for families to grow in our midst. ***Likewise the Spirit also helps in our weaknesses. For we do not know what we should pray for as we ought, but the Spirit Himself makes intercession for us with groanings which cannot be uttered. Romans 8:26***
6. Children available - Congregation - Pastor remarked at a meeting I attended that we have about 100 under 18 in our Congregation. These can range from 0-18 (obviously not all K-8 school age), but there is an availability. The point of this survey is to see if there is general support for a formal education route hosted in our building. The community survey (coming soon) will be given to prospective parents to gauge their interest in sending their child to a Lutheran classical school. ***Give thanks to the Lord of lords, for his steadfast love endures forever; to him who alone does great wonders, for his steadfast love endures forever. Psalm 136: 3-4 ESV***
7. Children available - Community - Based on national statistics (<https://nces.ed.gov/>), in 2024 Waterford Public PreK - 8 had 1,462 students and they received \$16,943 for each student for a \$25.11 million budget. The Waterford Public Unified High School had 890 students and they received \$24,464 for each student for a \$23.9 million budget. We see more housing going up every year. Based on [unitedstateszipcodes.org](http://unitedstateszipcodes.org), the 53185 zip code has a population of 18,761 with 62% being Husband / Wife Family households. 70% of those households have kids. Last year about half of our preschool families lived in the Burlington zip code. This 53105 zipcode adds a potential population of 29,654 with 54% being Husband / Wife Family households. 72% of those households have kids. It is unknown if the community values a Lutheran Classical education. ***Behold, children are a heritage from the LORD, The fruit of the womb is a reward. Like arrows in the hand of a warrior, so are the children of one's youth. Happy is the man who has his quiver full of them. Psalm 127:3-5***
8. Potential for a Lutheran School (reach / market area) - Our market area could run from Janesville and Beloit on the West to Racine and Kenosha on the East to Waukesha and Milwaukee on the North. The truth is that I don't know how FAR a fellow Lutheran would be willing to travel to a Lutheran Classical school. Technically, we don't have any Lutheran Classical school for 28 miles (50 min away North at Peace Lutheran Academy, Sussex) Other local Lutheran congregations may also have children who have interest in a formal classical school. Additionally, it is unknown if homeschool families will see a need to connect to some of the offerings at a classical school (for enrichment such as art, music, P.E., Latin, or even just for chapel, etc.) or if there is an age when they prefer formal schooling for their children (? possibly middle school / high school ?). The surveys will begin to help us understand the reality of our current situation and future possibilities. ***If God is for us, who can be against us? He who did not spare His own Son, but delivered Him up for us all, how shall He not with Him also freely give us all things? Romans 8:31-32***

***Can you help in getting input as we ask the community?*** Please let me know if you'd be willing to go with a team to gather survey responses door to door or at the Grocery Store or local business. If you'd like to help post the survey "posters" around the area, please let me know also, OR if you know of a group (such as 4-H or Scouts or something like that) that you can visit (I'll buy you a tray of cookies to share) for getting people's responses. Please reach out to Mr. B at the info above.
